Test: According to ISO 8317 (2004/AC:2005); internal WP-CR-001
Child-resistant packaging – requirements procedure:
and testing procedures for re-closable packaging

Test Results: The present materials comply with the international norm ISO 8317 (2004/AC: 2005). The complete description of the presented material, the results and findings of the tests are given in the report DW/dw/CR-11.002 of 10/05/2011 which is inextricable to this certificate

The Belgium Packaging Institute Ltd, Z.1. Research Park 280, B-1731 Zellik, certifies the here above mentioned statements. Any change of the presented material or production method involves a new series of conformity tests on the modified packages to be performed by the Belgium Packaging Institute.

The certificate and report are valid for an unlimited period as far as the production method remains identical and the packaging remains within the specifications of the tested samples.
